SECTION A - SUPPLEMENTAL INFORMATION

ADDITIONAL TERMS AND CONDITIONS:

- A. GENERAL:
This solicitation is expected to result in the award of an Indefinite Delivery Indefinite Quantity (IDIQ) type contract with Ares Corporation, Arlington, Virginia, for scientific, technical and engineering services in direct support of the Intermediate New Generation Army Target System (INGATS) technical evaluation, test and acceptance. The term of the contract will not exceed 14 December 1999 through 13 December 2001. Precontract costs incurred by Ares Corporation on or after 14 December 1999 but prior to the effective date of any contract resulting from this solicitation will be eligible for reimbursement under the resulting contract only if the precontract activities and costs are approved for payment by the Contracting Officer following contract award. This solicitation does not, in any way, authorize Ares Corporation to proceed prior to contract award, nor does it obligate the Government to reimburse the Contractor for any costs incurred or effort performed prior to contract award.
- B. MINIMUM GUARANTEED QUANTITY:
The Minimum Guaranteed Quantity shall consist of six months of scientific, engineering and technical services in direct support of the Intermediate New Generation Army Target System (INGATS) technical evaluation, in accordance with the Source Selection Plan and the attached Statement of Work. The period of services covered shall include precontract services performed on or after 14 December 1999 that are specifically approved by the Contracting Officer following contract award, through 13 June 2000.
- C. SERVICE CONTRACT ACT OF 1965
This acquisition is exempt from the requirements of The Service Contract Act of 1965, as Amended, under the provisions of Federal Acquisition Regulation (FAR) 22.1033-3(f). This exemption supersedes the possible inclusion in this solicitation of any clauses or provisions concerning the requirements of the Service Contract Act.
- D. REQUIREMENT FOR NON-DISCLOSURE
The services provided under any contract resulting from this solicitation will involve the evaluation of competitive technical proposals under INGATS solicitation DAAE20-98-R-0215 and may include technical assistance with the test and acceptance of the successful INGATS offeror. These services will thus require access to both the proprietary technical proposals of the INGATS offerors and to the procurement-sensitive source selection information and discussions of the Government. Therefore, all Ares Corporation personnel directly or indirectly involved with the provision of services under any contract resulting from this solicitation will be required to sign and abide by the restrictions of the Non-Disclosure Statement attached hereto.
- E. ELECTRONIC TRANSMISSION OF AWARD AND TASK ORDERS
Any Contract resulting from this solicitation, along with any subsequent Task Orders will be transmitted electronically to the Contractor via the TACOM-Rock Island Acquisition web-site.

	(a) In accordance with Section 326 of P.L. 102-484, the Government is prohibited from awarding any contract which includes a specification or standard that requires the use of a Class I ozone-depleting substance (ODS) identified in Section 602(a) of the Clean Air Act, 42 U.S.C. 7671a(a), or that can be met only through the use of such a substance unless such use has been approved, on an individual basis, by a senior acquisition official who determines that there is no suitable substitute available.		
	(b) To comply with this statute, the Government has conducted a best efforts screening of the specifications and standards associated with this acquisition to determine whether they contain any ODS requirements. To the extent that ODS requirements were revealed by this review they are identified in Section C with the disposition determined in each case.		
	(c) If offerors possess any special knowledge about any other ODSs required directly or indirectly at any level of contract performance, the U.S. Army would appreciate if such information was surfaced to the Contracting Officer for appropriate action. (c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation.
